PART –B

Recommendations of NAAC Peer Team and the Action Taken by the College (At a Glance)

SL NO	AREAS RECOMMENDED	ACTION TAKEN	ACTION TO BE IMPLEMENTED
1	Language laboratory to be activated	Language laboratory was inaugurated on 8th of March, 2012. It has the capacity to accommodate fifty students	It has been started. It is being used very often to enrich the students by CD presentations and projects prepared by the students
2	Coaching for competitive examinations could be organised	College has started a coaching centre for KAS/IAS/NET etc. It has books for the same. Recently in 2012 and 2013, two students have successfully completed their NET examination	It will try to encourage, motivate and guide the students to take up the coaching and competitive examinations in the coming years. Many students are interested in taking up IAS & training for NET examinations.
3	More numbers of UG and PG courses would be started	Has started M.Com and has introduced English and Urdu as optional in Degree Courses. The college has started M.A in Economics since 2013-14	The college intends to start M.A in English and M.B.A courses in the coming years.
4	More number of Certificate, Diploma and add on courses may be started	a) The College has regional language Kannada certificate courses and b) Spoken English. c) Skills and Hobbies d) Tally course. e) Computer Courses	Have plans of starting Certificate courses on Human Rights, Urdu, First Aid & other short-term Job-Oriented courses such as Banking and Finance, Fashion Designing etc. The College has regional language Kannada certificate course which helps them to appear for KPSC examinations for FDC, SDC, KSET etc.

5	Grievance Redressal cell, guidance and counselling cell need to be strengthened	This cell is actively working collecting the grievance of the students and the Cell is urging the principal and Management to consider their grievances and to do the needful for all these grievances the co-ordinator of the cell takes utmost care in assisting & guiding them. Counselling Cell has helped many students to continue their studies, financial aid and confidence of facing their personal problems. Counsellor does the job of listening discussing and guiding them to solve them problems which are related to themselves their parents, siblings, families Friends etc.	The Cell will further strengthen its programmes. It holds meetings with students and parents to know about the shortcomings and needs of the students. The same is placed in staff meeting and management meetings. Action is taken after the consent of the Management.
6	Recruitment against sanctioned positions to be expedited	The Management has appointed qualified teachers and is awaiting the orders from the Govt. of Karnataka for their approval	Recruitment against Sanctioned Posts is not approved by the Govt. of Karnataka for private aided colleges. It approves the appointment of only Govt Colleges. Karnataka govt. has declared Economy measure and does not regularise any sanctioned Posts of Private Aided college teachers and Non-teaching staff.
7	Staff could take up research projects	They would be applying for UGC research projects soon (Academic Research Projects).	Would pursue when it is sanctioned by UGC, the department of commerce, humanities, Kannada and Urdu have applied for UGC Seminars and Conferences.

8	Teachers should acquire research degrees as early as possible	teachers have registered for M.Phil., PhD and are preparing for NET exams	They are almost completing their doctorate degrees.
9	Regular faculty development programmes related to innovative methods of teaching and evaluation and administration may be organised	Faculties have been equipped with computers with latest configurations, Internet facilities, Subject-CD's They utilise it by making presentations, students take up presentations in commerce, History, Economics, Geography and Sociology and Languages.	More innovative methods would be adopted. Established colleges are visited by faculty members to adopt the best methods. Efforts are being made to equip students with practical skills & analytical abilities & philosophic depth on ethical and moral fabrics.
10	Strength of the college could be increased	Every year efforts have been made to increase the strength of the college by <ul style="list-style-type: none"> a) Distributing Handbills b) Through Alumini c) Through Newspaper d) Through F.M Radio Station e) Concessions in fees f) Scholarships to deserving students & needy g) Voluntary funds by teachers. h) And doing the best possible. 	The strength has improved because of all these attempts. The trend these days is for professional courses. Traditional courses have lesser demand. Yet the strength has improved this year. To prevent dropouts on regular basis, Parents-Teachers meetings are being held frequently. Quality education is our priority through interaction with Parents.
11	Introduction of earn while you learn scheme to be thought of	Our students give tuitions in the evening to the children of their locality. They even do part time jobs after the classes. Mehendi designing helps many students to earn while learning as Bridal Mehendi is in great demand.	Observing the need of the students, the Management is giving a thought of starting. Short term Job Oriented Courses like "Beautician Course, Fashion designing, Tailoring etc. To promote earn while you learn Schemes.

TIME – LINE IMPLEMENTATION OF ANNUAL PLAN (A.A.P)

1. Activities reflecting the goals and objectives of the institution:

The College ensures excellence both in the academic and non-academic activities to impart quality education, good performance and better results, active involvement of stakeholders to achieve the set goals through sincere efforts. To pledge and use every opportunity to promote human values and quality life through realisation of the set goals and objectives.

- The institution upholds the great tradition of VALUE ADDED EDUCATION. This practice qualifies the students to adopt the scientific zeal and skill to become self reliant, to be, economically in a better position ready to face the competitive world.
- The institution has created conducive learning atmosphere through its pre-determined and planned developmental measure. The learning resources are upgraded along with infrastructure to cater to the needs of student community.
- Programmes like TQM are arranged.
- The Counselling Cell and the teachers take care of wellbeing of the students.
- Feedback opinions from the students about the improvements to be done in infrastructure and the Faculty Teaching-Learning process is collected every academic year.
- Multi-media teaching aids like LCD, OHP, Computers are used for effective teaching.
- The Final stitch in the fabric of character will be sown by the college as the graduate's pledge will be administered on "Graduation Day".
- Inter- Collegiate competitions, quiz, debate, essay-writing competitions are conducted to prepare the students on par with the students of other colleges.
- Industrial tours and educational tours are arranged to give exposure to the students about the outside world.

- To instil confidence and assurance for a bright future among the students..The Placement Cell invites and organises several Career Guidance and Personality development Programmes.
- The NSS Unit of the college conducts Pulse-polio programme, health Checkups & awareness programmes activities of the Eco-Club Legal awareness Programme, Campus Cleaning etc. They are aimed at personality development of students which enables them to develop a sense of responsibility.
- To ensure ICT ENABLED Learning Computer Lab with Internet Facility is provided, Tally courses are arranged, Kannada Certificate course is arranged to help their recruitment in the Karnataka administrative offices.

2. New academic programmes initiated (UG and PG)

- Number of Students = 418
- Expenditure per students = 58,155.00

24. Courses in which Students Assessment of Teachers introduced, and Action taken on students Feedback:

Student's assessment of teachers is introduced to all the degree and post-graduate students of the college. It is collected of every teacher. It is scrutinised by the IQAC committee and Principal. Excellent reports are

appreciated and others are instructed to improvise and do the best for the satisfaction and progress of the students.

25. Computerisation of administration and the process of admissions and examinations results

Administration unit of the college is computerised: -

- Admission and examination documents.
- Examination result analysis.
- Issue of certificates.
- Correspondence with University and Government offices.
- Proceedings of governing council meetings.

26. Increase in the infrastructural facilities:

The Management is keen to provide the best facilities to the students.

- Second floor is completed with well ventilated large classrooms.
- Internet facility is provided in all the departments, including the library.
- More Almirahs have been added to the library.
- The departments have spacious rooms, computers, internet system, scanners and printers which enable concentration, preparation and learning more encouraging. The reference section of the library is adorned with latest expensive volumes which attract teachers and students to study. More magazines and periodicals have been added.

27. Technology up gradation:

With computers, internet facilities Photocopy installed in the library and all the departments. Both the students and the teaching faculty have been able to update themselves with the latest information. OHP is provided for Presentations of Projects and seminars.

28. Computer and Internet access and training to teachers and Students:

Every department and the library have been provided with Computers and internet connections, students and teachers are trained in the basics. For other configurations assistance is taken by the Computer Dept. Students are taught Tally Programme which adds to their qualification in future. The colleges with the help of Minority department of the Govt. provides free computer training with stipend facility. These trained students have already been employed as computer teachers. Teachers and students make power point Presentation.

29. Financial aid to students:

The aim of the institution is to educate economically lower class and backward section of society through education of Girls.

- Nominal and affordable Fees is collected in instalments.
- Management finances most of the students with CMA Scholarships.
- Teachers contribute voluntarily and fund the payment of fees, books and bus Passes.
- Minority department of the Govt Of Karnataka every year awards scholarships to the needy students of all degree classes, It is also finances the lower income group . It is taken care very well by a Co-Coordinator and a team of teachers
- Alumini unit of the college has instituted awards in appreciation of the meritorious students of all branches.
- A number of scholarships namely, Al-Ameen Scholarship, Scholarships for SC/ST, Scholarships from Bazm-e-Niswa, Gulistan Shaadi Mahal Trust.

30. Support from the Alumini Association and its activities:

Alumini students are the torch bearers to spread the name and fame of the college. They meet twice a year. Cash awards are awarded to the meritorious students of all branches. Information is provided about job

opportunities, higher studies and courses on demand. Cultural programmes by them add colours of their presence.

31. Support from the Parent – Teacher Association and its activities:

Two meetings are held in a year inviting Parents for discussion and Interaction with the Principal, Management members and the staff. The Interaction is about their wards attendance and performance. Opinions and grievances from the Parents are also recorded. The Management and Principal along with teachers try to solve the recorded grievances. A good response was found this year in words of appreciation for the staff. Many senior faculty members addressed the parents and advised the parents to take keen interest in the education of their daughters and explained the purpose of conducting these meetings.

32. Health Services:

The NSS Unit of the college functions as First Aid Centre. It provides the needed medicines for the students when they have simple problems like fever, headache, acidity or small injuries.

All the students undergo medical check-up every year. The college is attached to Dasappa Hospital nearby. Prescriptions are given to those who are anaemic ,have vision problems ,acidity problem, allergy problem and deficiency of vitamins.

Doctors do visit the college during Pulse polio Programme to train the students so that they qualify to participate in this programme. Students participated in the Pulse Polio Programme in Jan.2014. Students undergo Medical Check-up annually and Doctors pay visits when ever they are called. On 19/11/2013 Dental Check-up was conducted in the college by Rajiv Gandhi College of Dental Hospital. 9 Doctors were invited by NSS unit of Abbas Khan College for Women for this purpose. Poster presentation and slogan competition was conducted on 12/01/2014 on the eve of Birth Anniversary of Swami

Vivekananda. NSS Volunteers presented papers on Environment Pollution in the College Conference Hall in which all the other students were present.

33. Performance in Sports activities:

Sports activities are conducted under the supervision of Physical Education Director. The department conducts throw ball matches , shuttle badminton and indoor games like Carrom and chess.

The healthy and colourful event that is ‘Sports Day’ is celebrated once in a year. Running Race, Track events, Javelin throw, Shot put etc are conducted. Prizes are awarded by the Guests and the Management.

34. Incentives to the outstanding sportspersons:

Recognised sports persons are encouraged by college authorities. They are trained to participate in the inter-collegiate competitions. The expenses incurred are borne by the institution.

35. Students and achievements and awards:

Many Students complete their degrees with distinction and first classes. Every year the Management honours and awards the meritorious students Some of them have joined Post – graduation and obtained gold medals in the convocations of Bangalore University. Many have excelled as teachers, working in companies, Auditor’s offices, and also as Entrepreneurs etc. Students continue to bring laurels to the college by winning Rolling Shields and cups, prizes and participation certificates. It is a pleasure to note the achievements of students in various Inter-Collegiate competitions. It is a Blessed Satisfaction to see The Students Grow and Glow.

36. Activities of the Guidance and Counselling cell:

With the beginning of each year the students are sensitised on the availability of counselling facilities in the College. Many students have financial problems which are mostly solved by scholarships from several govt and private sectors like the state minority dept. They also are experiencing personal domestic problems of discouragement within their family giving more importance to marriages than studies or career. This problem is taken care by the counselling cell by inviting the parents for meetings, convincing the parents to continue their wards studies. Each case is unique & needs different ways & techniques to solve them.

There are students who are burdened with domestic responsibilities, who are depressed, who are under nourished and who have a weak background of language and subjects. All these situations are taken care personally by the Counselling Cell and the senior Faculty of the college.

Career Guidance Programmes are organised to motivate and build in self confidence in the students to face interviews, and take up career after graduation. Department of commerce and Management organised a Career Guidance programme on 13/3/2014. Mr. Wasim Akram from I.T department visited the college and enlightened the students about the various job opportunities available in the central government. He also informed the students about the upcoming exams that can be taken up, eligibility criteria and the kind of preparation needed for success.

On 26/2/2014 V. Prabhakarn, Manager & Training Stock Exchange Trading Bangalore visited the college and advised the students. "He gave a very informative speech on NIFTY and SENSEX. He offered to give coaching classes during the weekends to help the students in writing competitive exams.

37. Placement Services provided to students:

- White Horse Consultancy agency- 20 Students
- NSDC conducted Banking exams, 50 students cleared the exams.
- DM consultant Indian Pvt. Ltd. & PIN HOPES sent Mails inviting students to attend campus recruitment in the coming semester for the position of customer service executives, Domestic & International Voice Process etc.

38. Development programmes for non – teaching staff:

College Non – teaching Staff have improved themselves. They have learnt the use of computers, internet, tally and all needed administrative systems. They have the knowledge of the local regional language too. They are experienced and well trained in conducting examinations smoothly. They cooperate and join hands in organising seminars, conferences and all college academic activities.

39. Best practices of the institution:

The Institution has the following healthy and Best Practices :-

- Maximum number of students is helped by the scholarship Committee in getting Financial Assistance from Teachers, Private Organisations, Govt. Bodies and Management.
- Meritorious students are awarded Prizes by the Management every year
- Functions , programmes , seminars and conferences always start with invocation in Arabic with English translation followed by kannada invocation.
- National functions like Independence Day and Republic Day are celebrated every year.
- Regional festivals like Kannada Habba and Kannada Rajyotsava are celebrated every year.

- International Women's day is celebrated every year on 8th March.
- Students Union elections are held every year under the supervision of teachers.
- Inauguration and valediction of the students association is a regular feature every year Proficiency Prizes for outstanding students to winners of literary activities and sports cultural events activities and is an interesting and attractive feature for the students Infrastructure is upgraded every year.
- Discretionary holidays are declared for both Hindus and Muslim festivals the college is known for secularism.

40. linkages developed with the national, international, academic and research bodies.

Teachers present papers in the international, national conferences sponsored by UGC, Bangalore University and universities of other states. Workshops are conducted which has improved academic and research tendencies.

41. Any other relevant information.

The institution nurtures the spread of education to lower income category and backward class specially women of minority communities. It encourages the students to study further and build up their future. By educating a girl, the future families are expected to be educated. Many families educated, literacy would be spread all over.

The college brings out annually THE COLLEGE MAGAZINE with reports of the year, articles written by the faculty members and students with a gallery of photographs illustrating the events and the guests.

TO CONCLUDE:

***EDUCATING THE UNEDUCATED GROUP OF
SOCIETY IS OUR ULTIMATE GOAL***

.....

PART- C

FUTURE ACTION PLAN:

The Management and staff of the college are striving hard to educate the needy, economically and socially backward category female students. Their grievances and difficulties will be looked into. We have plans of introducing more PG courses and increase the intake of students.

“EDUCATION OF A FEMALE CHILD EDUCATES THE FAMILY” IS OUR BELIEF.

Educating them and preparing them to face the situations ahead in future with confidence and knowledge is our future plan. Introducing the modern method of teaching in par with other institutions is also our ambitions. To improve the strength and results of the college is our keen interest. Conducting Seminars, Conferences and Workshops both for the benefit of the faculty and the students are one of the future plans.

.....
