PART –B

**Recommendations of NAAC Peer Team and the Action Taken by the College
(At a Glance)**

SL NO	AREAS RECOMMENDED	ACTION TAKEN	ACTION TO BE IMPLEMENTED
1	Language laboratory to be activated	Language laboratory was inaugurated on 8th of March, 2012. It has the capacity to accommodate fifty students	It has been started. It is being used very often to enrich the students by CD presentations and projects prepared by the students
2	Coaching for competitive examinations could be organized	College has started a coaching centre for KAS/IAS/NET etc., It has books for the same. Recently in 2012 and 2013, two students have successfully completed their NET examination	It will try to encourage, motivate and guide the students to take up the coaching and competitive examinations in the coming years. Many students are interested in taking up IAS & training for NET examinations.
3	More numbers of UG and PG courses would be started	Has started M.Com and has introduced English and Urdu as optional in Degree Courses. The college has applied for introduction of M.A in Economics.	The college intends to start M.A in English and M.B.A courses, further in the coming years. It has been inspected by LIC committee Bangalore University to sanction & introduce M.A in Economics
4	More number of Certificate, Diploma and add on courses may be started	a) We have certificate course in regional language Kannada b) Spoken English. c) Skills and Hobbies d) Tally course.	Have plans of starting certificate courses on Human Rights, Urdu, First Aid & computer courses. The college has regional language Kannada certificate course which helps them to join Karnataka state administrative offices.

5	Grievance Redressal cell, guidance and counselling cell need to be strengthened	This cell is actively working collecting the grievance of the students and the Cell is urging the principal and Management to consider their grievances and to do the needful. Counselling Cell has helped many students to continue their studies, financial aid and confidence of facing their personal problems.	The Cell will further strengthen its Programmes. It holds meetings with students and parents to know about the shortcomings and needs of the students. The same is placed in staff meeting and management meetings. Action is taken after the consent of the Management.
6	Recruitment against sanctioned positions to be expedited	The Management has appointed qualified teachers and is awaiting the order from the Govt. of Karnataka for their approval	Sanctioned positions recruitment is not approved by the Govt. of Karnataka for Private aided colleges. It approves the appointment of only Govt. colleges. Karnataka Govt. has declared economy measure and does not regularize any sanctioned posts of private college teachers and non-teaching staff.
7	Staff could take up research projects	They would be applying for UGC research projects.	Would pursue when it is sanctioned by UGC, the department of commerce, humanities, Kannada and Urdu have applied for UGC Seminars and Conferences.
8	Teachers should acquire research degrees as early as possible	Teachers have registered for M.Phil., Ph.D and are preparing for NET exams	They are almost completing their doctorate degrees.
9	Regular faculty development programmes related to	Faculties have been equipped with computers with latest configurations, Internet facilities,	More innovative methods would be adopted. Established colleges are visited by faculty members to

	innovative methods of teaching and evaluation and administration may be organized	They utilize it by making presentations, students take up presentations in Commerce, History, Economics, Geography, Sociology and Languages.	adopt the best methods.
10	Strength of the college could be increased	Every year efforts have been made to increase the strength of the college by <ul style="list-style-type: none"> a) Distributing Handbills b) Through Alumni c) Through Newspapers d) Through F.M Radio Station e) Concessions in fees f) Scholarships to deserving students & needy g) Voluntary funds by teachers. 	The strength has improved because of all these attempts. The trend these days is for professional courses. Traditional courses have lesser in demand. Yet the strength has improved this year.
11	Introduction of earn while you learn scheme to be thought of	Our students give tuitions in the evening to the children of their locality. They even do part time jobs after the classes.	Observing the need of the students, the management is giving a thought of starting Earn while you learn schemes

TIME- LINE IMPLEMENTATION OF ANNUAL ACTION PLAN [A.A.P]

1. Activities reflecting the goals and objectives of the institution;

The college ensures excellence both in the academic and non-academic activities to impart quality education, good performance and better result, active involvement of stakeholders to achieve the set goals through sincere efforts. For other configurations assistance is taken by the Computer department. Students are taught Tally Programme which adds to their qualification in future. The college with the help of minority department of the Govt. provides free computer training with Stipend facility. These trained students have already been employed as computer teachers. Teachers and students make power point presentations.

29. Financial aid to students:

The aim of the institution is to educate economically lower class and backward section of the society through education of girls.

- Nominal and affordable fees are collected in installments.
- Management finances most of the students with CMA Scholarships.
- Teachers contribute voluntarily and fund the payment of fees, books and bus Passes.
- Minority Dept of the Govt of Karnataka every year awards scholarships to the needy students of all degree classes, it is also finances the lower income group. It is taken care very well by a coordinator and a team of teachers.
- Alumni unit of the college awards and appreciates the meritorious students of all branches.
- A number of scholarships namely Al-Ameen scholarships , scholarships for SC/ST., scholarships from Bazm-e-Niswa, Gulistan Shaadi Mahal Trust.

30. Support from the Alumni association and its activities :

Alumni students are the torch bearers to spread the name and fame of the college. They meet twice a year. Cash award are awarded to the meritorious students of all branches. Information is provide about job opportunities, higher studies and courses on demand. Cultural programmes by them add colour to their presence.

31. Support from the parent- teacher association and its activities :

Two meeting are held in a year inviting parents for a discussion with the Principal, Management members and the staff. Interaction about their wards attendance, performance is highlighted. Opinions and grievances from the parents are also recorded. The management and pricipical with teachers try to solve the grievances records. A good response was found this year in the parents teachers meeting. They came out with valuable suggestions and words of appreciation for the staff.

32. Health Services:

The NSS unit of the college functions as First Aid Centre. It provides the needed medicines for the students when they have simple problems like fever, headache, acidity and small injuries.

All the students undergo medical check-up every year. The college attached to near by Dasappa Hospital. Prescriptions are given to those who are anemic, have vision problems, acidity problem, allergy problem and deficiency of vitamins.

Doctor do visit the college during pulse polio programme to train the students so that they qualify to participate in this program. They participated in the Pulse Polio Programme in September 2012 and January 2013. Students undergo medical check-up and Doctors visit when they are called on 25th September 2012. Health awareness programme was organized Dr. Padma latha , department of Gynaecology from Martha's Hospital was the resources person on 26th Feb.2013.

Health awareness programme on the theme Breast Cancer and its related issues was organized . Prof. Vimala HOD of Zoology, Mount Carmel College addressed the students.

33. Performance in Sports activities:

Sport activities are flourishing under the guidance of Director of Physical Education. The dept conducts throw ball matches, shuttle badminton and indoor games like carom and chess.

The healthy and colourful event is the sports day celebration once in a year. Trace events, Javelin throw, short put etc are conducted. Prize are awarded by the guests and the managements, other competitions in which our students excelled are :-

- Athletics at Kanteerava Stadium
- Badminton at BMS College
- Volleyball at T. Jhon College
- Tennikoit at Ramanagar.
- Chess at Acharya College

34. Incentives to the outstanding sports persons :

Recognized Sports persons are encouraged by college authorities. They are trained to participate in the Inter-Collegiate Competitions. Any expenses incurred are borne by the institution. Championship is awarded to Ms.Kavyashree - 3rd B.Com & Ms.Geetha- 2nd B.Com.

35. Students and achievements and awards:

Many students completed their degrees with distinction and first classes. Every year the Management honours and awards the meritorious students. Some of them have Joined Post- Graduation and obtained Gold Medals in the Convocations

of Bangalore University. Many have excelled as teachers, and Consultants in various Companies, Officers in Income-Tax department, Entrepreneurs etc., It is blessed satisfaction to see the students grow and glow.

36. Activities of the Guidance and Counselling Cell:

Many students have financial problems which are mostly solved by scholarships from several Govt. and Private sectors like the state minority department. they also are experiencing personal domestic problems of discouragement within their family giving more importance to marriages than studies or career. This problem is taken care by the counseling cell by inviting the parents for meetings, convincing the parents to continue their wards studies.

There are students who are burdened with domestic responsibilities, who are depressed, who are under nourished and who have a weak background of language and subjects. All these situations are take care personally by the counseling cell and the senior faculty of the college.

Career guidance programmes are organized to motivate and build in self confidence in the students to face interviews, and take up career after graduation.

Department of Commerce & Management organized a Career Guidance Programme on 18th July 2012 by Mr. Sai Krishns Vyas Tumulari. Who taught about the concepts of accountancy & to win over the stages to become Commerce Champion. Mr.Salahuddin of Carrer Kies trained students to develop their skills & language. Mr.Wasim Akram from Income-Tax department informed the students of various Job opportunities. A consultancy agency managed by Mr.Shaikh Muqtar presented the techniques to overcome loss of confidence to participate in group discussion, Public addressing programmes etc.,

37. Placement Services provided to students :

- **Wizcraft-** recruited 15 students
- **IMPARTICIS LEARNING & PLACEMENT-** recruited 30 students

38. Development Programmes for Non- teaching staff :

College non-teaching staff have improved themselves. They have learnt the usage of computers, internet, tally and all needed administrative systems. They have the knowledge of the local regional language too. They cooperate and join hands in organizing seminars, conferences and all college academic activities.

39. Best Practices of the Institution :

We have healthy practices like:

- Meritorious students are awarded prizes by the management every year.
- Functions, programs, seminars and conferences always start with invocation in Arabic with English translation followed by Kannada invocation.
- National functions like independence and republic day are celebrated every year.
- Regional festivals like Kannada Habba and Kannada Rajyotsava are celebrated every year.
- Student's union elections are held every year under the supervision of teachers.
- Inauguration and valediction of the students association is a regular feature every year. Prize distributions of winners of literary events and sports is an interesting and attractive feature for the students.
- Infrastructure is renovated and upgraded every year.
- Discretionary holidays are declared for both Hindus and Muslim festivals college is known for secularism.

40. Linkages developed with the national, international, academic and research bodies :

Teacher present papers in the international national conferences sponsored by UGC, Bangalore university and universities of other states. Workshops are conducted which has improved academic and research tendencies.

41. Any other relevant information :

The institution nurtures the spread of education to lower income category and backward class specially women of minority communities. It encourages the students to study further and build up their future. By educating a girl, the future families are expected to be educated. Many families educated, literacy would be spread all over.

The college brings out annually the college magazine with report of the year, articles written by the faculty members and students with a gallery of photographs illustrating the events and the guests.

TO CONCLUDE :

**“EDUCATING THE UNEDUCATED GROUP OF SOCIETY IS
OUR ULTIMATE GOAL.”**

PART- C

FUTURE ACTION PLAN:

The Management and staff of the college are striving hard to educate the needy, economically and socially backward category female students. Their grievances and difficulties will be looked into. We have plans of introducing more PG courses and increase the intake of students.

“EDUCATION OF A FEMALE CHILD EDUCATES THE FAMILY” IS OUR BELIEF.

Educating them and preparing them to face the situations ahead in future with confidence and knowledge is our future plan. Introducing the modern method of teaching in par with other institutions is also our ambitions. To improve the strength and results of the college is our keen interest. Conducting Seminars, Conferences and Workshops both for the benefit of the faculty and the students are one of the future plans.
