FOR WORKS
 2022

Give three observation/ suggestions to improve the overall teaching-learning experience in your institution.

- a. Conducting team-building activities and promoting some outdoor activities. Promote internship opportunities with good companies. Some more study materials are require more knowledge and make sure the practical case studies are inculcated in the curriculum.
- b. Concept explanation with illustrations, imaginary situations and its usage in real life situations. Study tours in various companies or factories can be organized for practical learning for the students.
- c. Traditional approaches in teaching must change. Conservative learning must be adopted. So that we adopt to the changing world of PC.
