## SELF STUDY REPORT

### CRITERIA-07: Institution Distinctiveness:

#### Minority Women Institution

The Institution was established with the main goal of providing education to socially, economically and educationally disadvantaged girl students in general and particularly those from the Muslim community. The institution strongly believes that educated women will definitely build a sustainable Value based society and contribute to peace and harmony all over. It is a matter of pride that at a time when a large number of institutions are commercially motivated in Bengaluru, the College lead by the CMA management is committed to provide affordable higher education to the Women in the society. The management is also planning to construct a girls' hostel for needy students at an affordable cost to alleviate the challenges faced by migrating students.

It strives to see that the set goal will be implemented and achieved by extending Mid day meal facility, fee concession, assisting students to get Scholarships from C.M.A , Government, pvt organizations and NGO's, free distribution of note books, Student Welfare Fund, Health check-ups, conducting Counselling for both personal and financial problems irrespective of caste, creed, language, religion etc., the institution works on the foundation of Secularism.

### Holistic Development and Women Empowerment

Beyond academics, the institution focuses on holistic development and empowerment among students. Through skill development programs, students are given a suitable platform to develop the abilities and skills they need to deal with problems and challenges in life. To enhance students' personal and professional competencies, the institution provides 30 hours of free soft skills training each semester. In addition to the standard curriculum, the institution offers a variety of add-on courses designed to broaden students' skill sets and open up new opportunities such as communicative course in English, Tally, Advance Excel, Beautician course, Tailoring course, jewelry making, tassels making is conducted.

### Student progression

The institution provides robust academic support and encourages students to participate in research opportunities and internships for gaining practical experience. It provides platform to pursue post graduate programs in MA (Economics) and M. Com in the same campus and also facilitates campus drives to ensure placement opportunities for students.

Recognizing the challenges students faces, such as early marriages and financial responsibilities, the college plays a crucial role in supporting them to complete their education despite these obstacles. Many students contribute to their families financially, which sometimes affects their regular class attendance. To
